MEMORANDUM FOR THE DIRECTOR, CENTRAL INTELLIGENCE GROUP

In connection with the study currently being conducted by the Special Organization Committee, it is recommended that a Foreign Nationalities Branch be established in CIG.

Although the functions of this group were initially included in the overall mission of Special Operations, it was finally decided by the Committee that the objective of such an activity ~~to be~~ seemed to tend more towards research than operations.

Attached is a statement of the proposed functions of such a branch.

Colonel, Inf.
